The following questions will help determine if there is any reason you should not receive a COVID immunization injection. Answering "yes" to any question does not prevent you from being vaccinated. It means additional questions will be asked. If a question is not clear, please ask a healthcare provider to explain.				
a COVID-19 vaccine?			No	□Yes

I have read, or have had explained to me, the Emergency Use Authorization (EUA) for COVID-19 vaccine. I have had a chance to ask questions that were answered to my satisfaction. I believe I understand the benefits and risks of COVID-19 vaccine and ask that the vaccine be given to me or the person named above for whom I am authorized to make this request (parent or guardian). I HAVE BEEN ADVISED TO WAIT FOR 15-30 MINUTES OF OBSERVATION AFTER RECEIVING MY VACCINE BEFORE LEAVING.

Print Parent/Guardian name, if different from client:
